

**VILNIAUS UNIVERSITETO
MEDICINOS FAKULTETO TARYBA**

**NUTARIMAS
DĖL PRIĖMIMO Į MEDICINOS IR ODONTOLOGIJOS STUDIJŲ PROGRAMAS
ANGLŲ KALBA TVARKOS**

Vadovaudamasi Vilniaus universiteto senato 2019 m. spalio 22 d. nutarimu Nr. SPN-56 „Užsienio šalių piliečių priėmimo į Vilniaus universiteto pirmosios ir antrosios pakopų bei vientisųjų studijų programas tvarkos aprašas” ir Vilniaus universiteto senato 2017 m. vasario 21 d. nutarimu Nr. S-2017-2-1 (Vilniaus universiteto senato 2019 m. spalio 22 d. nutarimu Nr. SPN–56 redakcija) “Priėmimo į Vilniaus universiteto studijų programas taisyklės”, Medicinos fakulteto taryba

n u t a r i a tvirtinti tokius stojimo į Medicinos ir Odontologijos studijų programas anglų kalba reikalavimus:

The applicants must satisfy the following requirements to be considered for admission:

- The applicant must take an entrance examination. The examination is conducted online on the following dates: **December 14, 2023, 14:00 (EET, UTC+2) / January 18, 2024, 14:00 (EET, UTC+2) / February 22, 2024, (EET, UTC+2) / March 21, 2024, (EET, UTC+2) / April 18, 2024, 14:00 (EEST, UTC+3) / May 16, 2023, 14:00 (EEST, UTC+3) / June 20, 2023, 14:00 (EEST, UTC+3)**

IMPORTANT! Last examination for non-EU/EFTA citizens is **16 May, 2024!**

- An applicant must register for the examination and choose a suitable date. The **registration form** is available [here](#) (Pastaba. Bus pateikta nuoroda į registracijos formą). You will find further **information regarding the examination here** (Pastaba. Bus pateikta nuoroda į informaciją apie egzaminą).

An applicant can take an examination **only once** per one application period.

Entrance examination fee: 200 EUR. **IMPORTANT!** Entrance examination fee must be paid at least **48h prior to the examination time!**

- If the applicant has passed the following examinations no earlier than during the 2nd year before admission, the applicant may apply without taking the entrance examination, but must submit the results of one of the following tests (the results of tests remain valid for 2 years).

- MCAT. Minimum score: 500
- BMAT. Minimum score: section 1 and 2 – score 5, section 3 – score 3B
- IMAT. Minimum score: 40
- NEET. Minimum score 400

- If the applicant has one of the following school qualifications he/she may apply without taking the entrance examination:

- IB Diploma “International Baccalaureate”: Biology 5 (H level) and Chemistry 5 (H level)
- A level certificate “A levels”: Biology B and Chemistry B
- German certificate “Abitur”: Biology 12 points or 1-2 and Chemistry 12 points or 1-2
- Finish certificate “Ylioppilastutkintodistustus”: Biology Eximia cum laude approbatur (E, 7) and Chemistry Biology Eximia cum laude approbatur (E, 7)
- Swedish certificate “Examensbevis”: Biology B and Chemistry B (level 2)
- Spanish certificate “Titulo de Bachiller” accompanied by “Selectividad”: Biology 7 and Chemistry 7

- French certificate “Baccalaureat”: Biology 15 and Chemistry 15
 - Applicants who apply through one of the agencies cooperating with VU: MediStart, StudiMed and Med-Prep Europe, do not have to take the entrance examination. These applicants must have completed a Biology or Chemistry/Physics subject at school.
 - Applicants applying independently, or applying through other agencies, must have completed the Biology subject at school. The Natural Sciences subject is considered to be equivalent to the Biology subject. The entrance examination is mandatory.
 - If the applicant has graduated in Biomedicine/Life Sciences/Health Sciences and has a diploma, he/she may have completed either the Biology or Chemistry/Physics subject at school. However, it is mandatory to provide documents about the education acquired in the field of Biomedicine/Life Sciences/Health Sciences. In such a case, MF will assess whether the applicant must additionally pass the entrance examination.
 - If the applicant has completed Chemistry, Physics or Mathematics subjects, it shall be considered to be an advantage.
 - Applicants who take the entrance examination shall not be required to submit additional documents proving their English proficiency level, as the examination is conducted in English.
 - Due to the differences in the education systems of different countries, the University reserves the right to individually assess the suitability of an applicant for the study programme if he/she does not meet all of the listed criteria.
 - **IMPORTANT!** All students studying either Medicine or Dentistry study programme will be required to take the Lithuanian Language course for 6 consecutive semesters. The Lithuanian Language course will be included in the schedule but will not be additionally charged. Students will be required to reach at least B2 level by the end of the course and obtain a certificate. Without the certificate students will not be allowed to continue their studies.
 - An applicant who is a Lithuanian citizen can apply for programmes taught in English, however, if admitted he/she will be required to continue the studies in English track until graduation with no possibility to transfer to a similar programme taught in Lithuanian. If an applicant is interested in programmes taught in Lithuanian language, he/she must apply via <https://lamabpo.lt/> platform.
